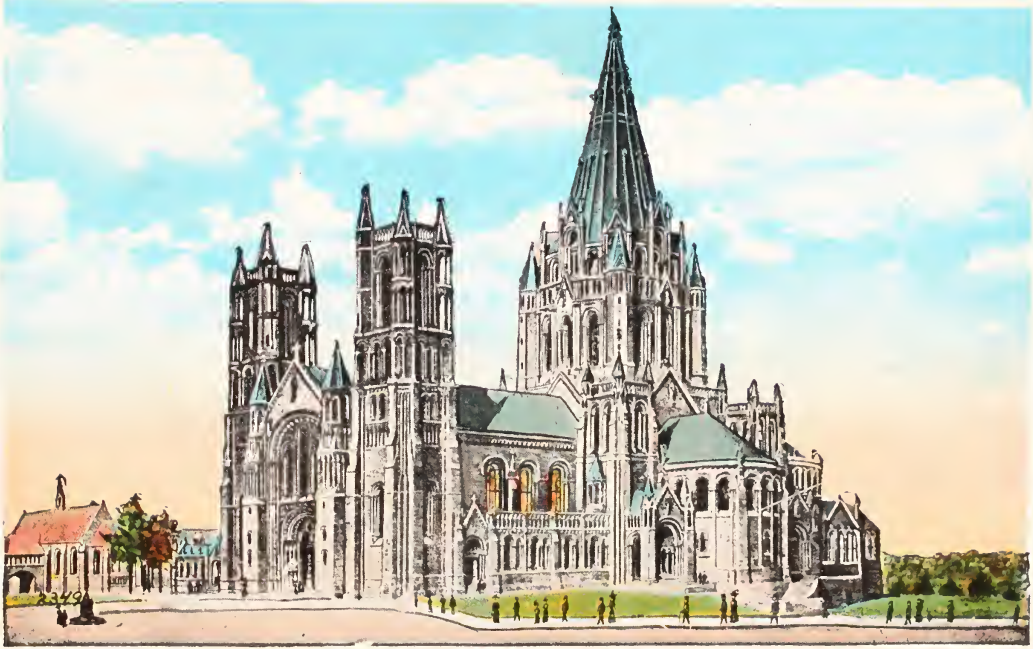
602:—CATHEDRAL OF ST. JOHN THE DIVINE, NEW YORK.



CATHEDRAL OF ST. JOHN, THE DIVINE. This magnificent building is expected to cost $10,000,000 before it is completed. It probably is the finest and best located cathedral in the world. The site is 250 feet above meantide, and the building 445 feet above its foundations will be visible 25 miles away.
